Customer wayfinding and parking payment

The Park Bunbury app can be used to find available parking bays both on-street and in the many visitor carparks located throughout the City centre.

The Park Bunbury app can also be used to pay and monitor your parking session where payment is required.

Search **Park Bunbury** to download the app to your phone to make parking even easier.

Get it on **Google Play**

Download on the **App Store**

Instructions:
Set up an account and add your credit card to easily pay for parking with the Park Bunbury app.
Once you have logged in, follow the below instructions.

1. Tap the coloured icon showing where you have parked.
2. Select the area you have parked in, in order to select the correct bay.
3. Choose Park/Pay at the bottom of the screen. *Note: You must be logged in as a registered user to see Park/Pay. Guests or non-registered users cannot see this option. Park/Pay will only appear in carparks where a fee is payable.*
4. Select or input your bay number (e.g. 54) - you can find it painted on the space where you have parked.
5. Select the amount of time you wish to pay for.
6. Follow the instructions in the app to choose your vehicle registration and credit card details, and then pay.
7. Once you have paid, you will see the timer screen and you will receive an email receipt.

15	Symmons St Carpark	3 hours only
	All other on-street parking	Time restricted - No fee

Parking Information

- All car bays have in-ground sensors – if you're planning on staying for only the free allotted time, you don't need to do anything, just park and walk to your destination (including in the shopper carparks).
- If you want to pay for additional time or all-day parking in the longer-term carparks, input your car bay at one of the pay-by-bay parking meters and use payWave to purchase extra time. OR, use our Park Bunbury app (instructions in this flyer).
- ACROD and TPI permit holders can park in any City car bay for double the duration of any time limit – a valid ACROD or TPI permit must be displayed.
- The Centrepoint Shopping Centre carparks are not managed by the City and have different parking times/directions.
- To save more than 50% in annual parking costs, contact the City to discuss purchasing a parking permit.
